NEW ZEALAND ASSOCIATION OF GERONTOLOGY

Auckland Branch Inc

An interdisciplinary association
for the well being of older
people and the study of
ageing in all its aspects

Aims of the Gerontology Association

- ◆ To stimulate interest and action in all matters concerning the welfare of older people.
- ◆ To encourage training of those caring for older people.
- ◆ To act as advisors to interested persons, bodies, or groups on aspects of ageing.
- ◆ To study ageing in all its forms.
- ◆ To promote gerontological research.

What do we do

- ◆ Run regular education meetings regionally
- ◆ Regular newsletters
- ◆ Advisory group to Government and other agencies
- ◆ Close networking with Age Concern and other agencies working with older people
- ◆ Member of the International Association of Gerontology and frequent contact with international groups e.g. United Nations

Who should belong

- ◆ Health professionals working with older people.
- ◆ Residential care staff.
- ◆ Administrators/managers involved in health care policy planning.
- ◆ Academics interested in gerontological research in the widest sense i.e. social scientists, economists, town planning, biomedical research.
- ◆ Organisations representing older people.
- ◆ Any individuals interested in promoting our aims.
